

## Save Water and Money with the District's Conservation Programs

Order your Garden in a Box by Resource Central just in time for spring planting! The program not only gets you beautiful native plants that will save you big time on your water usage but also qualifies you for a \$25 credit on an upcoming FCLWD bill.

For those looking to up their irrigation game, register for our Slow the Flow program to get a free sprinkler evaluation from a trained professional. Afterward, they'll recommend optimal watering times, system repairs, and sprinkler upgrades.

Speaking of, FCLWD customers can score exclusive rebates on Rachio 3 Smart Sprinkler Controllers. These intelligent tools optimize your watering routine, saving you money and conserving Earth's most precious resource.

Time is ticking on these programs, so don't delay! Head to our website to register as soon as possible:
